

Around Nicolaus Copernicus on the 550th anniversary of his birth
My Adventure in the Museum
44th The International Fine Arts Competition for Children and Youth
- rules

The project is dedicated for children and teenagers at the age of 5-18.

This year marks the 550th anniversary of the birth of an outstanding Renaissance man - Nicolaus Copernicus, who was born in Toruń. In connection with the celebration of this jubilee, the District Museum in Toruń announces that the 44th International Art Competition for Children and Youth "My Adventure at the Museum" will be held under the slogan: "Around Nicolaus Copernicus on the 550th anniversary of his birth".

The aim of the project is to familiarize participants with the figure of the famous astronomer, his achievements and contribution to the development of science, and to encourage them to express their experiences and thoughts related to the Copernican revolution through creative expression.

Project participants should learn about the collections of a specific museum or gallery. Perform one or more works in the field of visual arts related thematically to a selected exhibit or a group of exhibits, reflect the mood and atmosphere accompanying the exposition of the exhibition, or the specificity of the institution's activities. Therefore, the Project participant should make a choice, which from the Project implementation area made the greatest impression on him and present it in his artistic vision.

The area of the Project implementation may be: museums of art, historical, archaeological, ethnographic, natural, techniques, crafts, biographies and other, as well as open-air museums and art galleries, as well as museum exhibitions presented in a museum space other than the museum's exhibition. Martyrological museums are excluded from the Project implementation area. Participants can carry out artistic projects as part of school activities or classes at institutions and cultural centres.

The technique of performed works, including spatial forms and multimedia (computer graphics, film) is optional, however the subject of the work should be inspired by a visit to the institution mentioned above as the area of the Project implementation.

Accepted works:

- works on a flat surface (painting, graphics, drawing, etc.) with a format not smaller than A4 and not greater than A1 (works done on the surface should not be bound or backed)
- spatial forms with a dimension not exceeding 50x50 cm.
- computer graphics - a printout with a format not smaller than A4 and not greater than A1
- multimedia - CD / DVD (movies up to 3 minutes, recorded in MP-4 format)

The works must contain information provided very clearly (downloadable information on the Museum website, in the My Adventure in the Museum tab):

- **full name and surname of the author of the work**
- **the exact age of the author of the work**
- **title of the work**
- **name and address of the school or institution**
- **full name and surname of the art tutor**

ATTENTION!

Works that do not meet the above requirements will not participate in the Project !!!

Museums, schools, institutions and cultural centres establish organizational forms and the scope of dissemination and course of the Project in their area. It is allowed to send individual works. The organizer reserves the right to pre-qualify the work for the Final of the Project.

Works should be sent by **10 July 2023** to the following address:

**DISTRICT MUSEUM IN TORUŃ

The final review of the works submitted as part of the Project will take place in July 2023. Specialists in the field of art, museology and pedagogy (Jury) will select about 150 most interesting works that will be presented in the District Museum in Torun. We will award the prizes in the following age categories: 5-6 years, 7-9 years, 10-12 years, 13-15 years, 16-18 years, including the category of people with intellectual disability (up to 25 years). The prizes will be given also to the artistic supervisors (educating in community centres, galleries, Polonia schools, special needs schools, etc.) We will also award some extra prizes such as the Award of the Mayor of Torun and The Award of the Director of the District Museum in Toruń.

The awarded students and their guardians will be invited to the Gala summarizing the Project (8 December 2023) combined with the award ceremony and the vernissage of the exhibition. The diplomas for participants whose works have been qualified for the exhibition will be sent by post.

The exhibition of works selected by the Jury will be presented at the District Museum in Toruń till 10 March 2024. During the exhibition, an audience plebiscite will be held - guests visiting gallery will be able to vote for works that, in their opinion, should be awarded. In this way, one Audience Award will be selected for each category.
